ANNUAL WINTER SHOW

Again this year the Sunset Chapter will hold the annual winter show the last Saturday of the Florida State Fair in Tampa. The date will be Saturday, February 17th.

All people bringing bloom to enter in the show on the 17th will be admitted free to the fair grounds, until 10 a.m. Since the winter (up to press time) has not been too severe there should be plenty of bloom for competition. Bring all you have and take home the silver and the ribbons.

The Sunset Chapter will maintain a booth with Hibiscus on display the entire run of the fair. If you plan to be at the fair please pick and take your bloom to the booth. The chapter will need and welcome any bloom you can bring. Or if you are able to send bloom each day please get in touch with Mr. Walker Lyon at 14018 W. Parsley Drive, Maderia Beach, St. Petersburg, Florida to work out details.

The show on Saturday, February 17th will be a standard hibiscus show judged by AHS judges. Bring all the bloom you have.

A farmer whose elderly mother was in a nursing home brought her a fresh bottle of milk every time he visited her, always adding a little brandy to it. She never made any comment about the milk but one day when her son visited she said, "Albert, could I ask a favor?" "Certainly, Mother," he responded. "Please, Albert," she said, "don't ever sell that cow."
